## RIDE RUIDOSO SPRING | FALL

Each year, Ruidoso welcomes two motorcycle rallies to our beautiful village - Aspen Cash in the spring, and Golden Aspen in the fall. Last year, the Village of Ruidoso took it up a notch by hosting the first annual Ride Ruidoso Week, held in October with a full lineup of concerts, pin-up pageants, bike stunt shows, vendors, and more. In 2023, Ride Ruidoso will return in the fall, as well as in the spring with a benefit concert complementing the Aspen Cash Motorcycle Rally on May 20th. Ride Ruidoso Spring Thunder will feature concert headliner Molly Hatchet, Metallica Tribute Band - Kill EM All, and Mötley Crüe Tribute Band - Motley Mayhem, as well as a motorcycle run, car show, and bike show. On September 11-17, 2023, Ride Ruidoso Week returns for its second year in conjunction with Golden Aspen, with more tattoos, bikes, and rock-n-roll. Events will benefit the Community Foundation of Lincoln County, the Community Foundation of Lincoln County Shelter Fund, and the Ruidoso Housing Trust Fund, while proceeds from General Admission tickets will benefit Toys for Tots and the Boys & Girls Club.

## DOWNSHIFT BREWING CO. IS MOVING INTO SACRED GROUNDS

Hidden Tap has been a hot spot for live music and events in Midtown Ruidoso for years. When Downshift Brewing Co. took up residence inside Hidden Tap in early 2022, the beer, music, and fun only expanded!

Now you will be able to enjoy everything Downshift Brewing has to offer in an additional taproom overlooking Rio Ruidoso. As of April 2023, Downshift has acquired the building that has been known for several years as Sacred Grounds Coffee & Tea House. At this new location, Downshift will offer a 20-tap draught wall for their craft beers as well as house-made nitro cold brew. They will maintain Sacred Grounds' offering of small batch coffee and tea, and even some of their breakfast and baked goods that have become beloved staples (like the ginger crackle cookies and quiche). In addition, they will feature a full menu for breakfast, lunch, and dinner. With talented performers scheduled to take the stage every weekend, open mic

nights each Thursday, and special events to celebrate new brew releases, you'll want to add this stop to your Ruidoso itinerary.

Downshift also serves at locations in Albuquerque at Outpost 1706 and in nearby Alto at Brewski Beer Garden, part of Alto Ski Shop.

# BACK IN THE DAY

## FUN FACT

New Mexico  
adopted the Black  
Bear as State  
Animal in 1962

## Smokey's Story

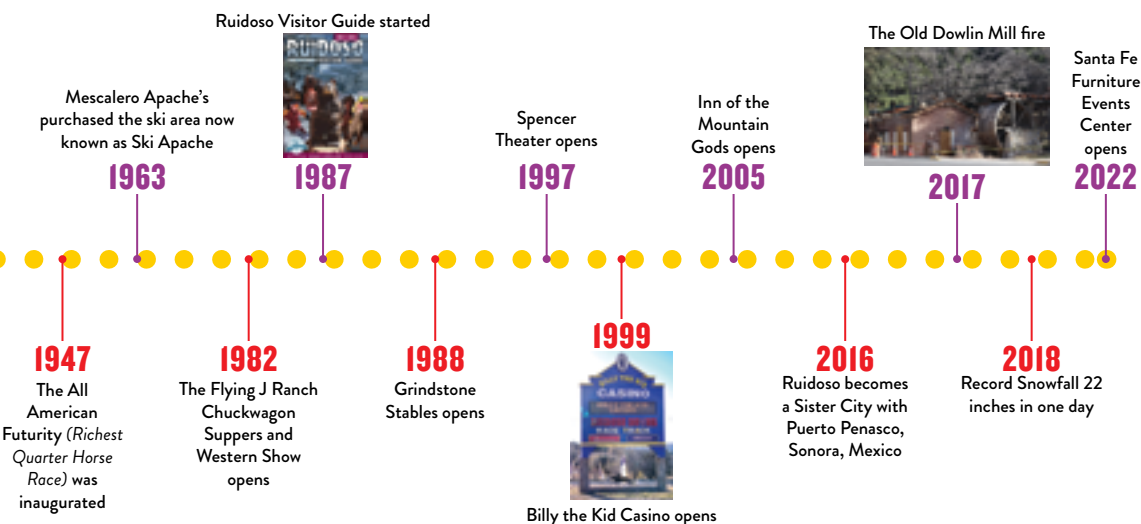

Santa Fe. Upon his recovery, Smokey was flown to Washington D.C. and hundreds of people greeted the cub along the way.

In July of 1950, Smokey was presented at schools all over the U.S. In a study given to children across the United States, after the words "Only You" were given, more kids could complete the slogan, "Can prevent forest fires" than any other slogan at the time. The Smokey Bear ad campaign has been the longest-running ad campaign in the history of the United States and is still active today!

# LET'S EAT

Ruidoso has so many amazing options for places to eat and drink, so we tried to narrow it down to give you an epic day of all the flavors we could put into one itinerary. Cheers!

@KAIANGEL6

## BREAKFAST TINA'S CAFE

Start your day off with a traditional breakfast or one of Tina's signature New Mexican-style dishes. One of our favorites is their breakfast burrito smothered Christmas style (red & green chile sauce). They also have a bar area that serves some really great tapas on weekend evenings.

## LUNCH ISLAND NOODLES

Then you'll head down Midtown to get some shopping done. When you get hungry, head over to Island Noodles right past Times Square in the heart of Midtown on Sudderth. These mouth-watering noodle dishes are cooked fresh in a wok right in front of you with lots of veggies and plenty of flavor.

## SWEET TREAT CEDAR CREEK MARKET

Your next stop is new to the area, but is quickly gaining popularity. Cedar Creek Market has amazing Liège waffles that are made in-house with lots of toppings to choose from! While you're there check out their gift shop with locally made, one-of-a-kind items both vintage and new. They also have some great burritos and chicken salad!

# AFTERNOON SIP

## THE PERFECT GIFT WITH ALGODONES DISTILLERY

If you didn't satisfy your shopping fix earlier at Cedar Creek and are ready for an afternoon drink, we have the *perfect* spot... The Perfect Gift with Algodones Distillery. They have a wonderful craft cocktail menu that features their partner, Algodones Distillery's spirits. One of the most popular is their classic old-fashioned.

# DINNER

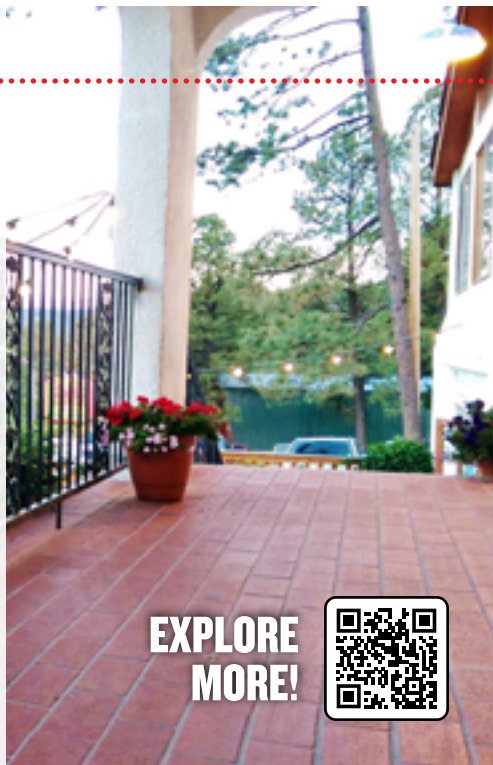

## RUIDOSO SUSHI

Once you've quenched your thirst and finished up shopping, it's time to walk a couple of shops down to Ruidoso Sushi for dinner. Sushi in the mountains? Yes. Trust us. We loved the Ruidoso Roll, but it is all fresh and delicious. Enjoy!

# TIPS FOR DINING IN RUIDOSO

- During High Season (Summer/Winter) make reservations! It is not uncommon to have a long wait at almost every restaurant during high season, even during the week. If the restaurant takes reservations, do it!
- Remember this is a quaint mountain village. Things move at a different pace here than in the city. If you're in a hurry, try a call ahead order or drive thru.
- During Low Season (Spring/Autumn) you may find that some businesses (retail as well) throughout town might close earlier than what is posted online. Again, it's a small town largely run by families, so it may not make sense to stay open once the day slows down. Plan outings for earlier in the day!
- On that note, plan to eat earlier during low season.
- It's never a bad idea to grab a pizza from Cafe Rio or sandwiches at Village Buttery to go and have a picnic in the wilderness or at one of the many parks around town.

## « RUIDOSO WINTER PARK

In the winter, fly down the slopes on your stomach like superman, or sit down in the tube like you're ready to float down the river. Either way, you're all set for this thrilling ride. You'll take a magic carpet ride to the top of the hill with your tube where attendants will help you get comfortable on your tube before they send you down the icy slide. Feel free to ride as many times as you'd like!

Kids obsess over the kids play area with a miniature version of the big tubing hill and parents will love the photo ops. You can also rent VIP igloos with a hostess that will bring you drinks and a s'mores kit to use on one of the fire pits. They can also assist you in ordering and delivering food from the vendors on-site. In the summer, don't miss the summer tubing, zip-line, and the new mountain coaster!

## « GRINDSTONE LAKE

Grindstone Lake has become one of the most popular spots in the summer time, but also offers outdoor activities year-round. The Dam House at Grindstone Lake offers boat rentals, paddle boards, fishing equipment, and snacks Memorial Day through Labor Day (weather permitting).

The lake also offers a unique attraction, the Wibit Water Park. This floating, inflatable platform is perfect for family fun, birthday parties, and special events. Come out for the day or purchase a season (summer) parking pass and enjoy swimming, boating, fishing, disc golf, and more. Make sure you make parking reservations during summer weekends to ensure you get to experience all Grindstone Lake has to offer when it's busiest!

## « BACKCOUNTRY ATTITUDES

Get off the beaten path in Lincoln County on one of Backcountry Attitude's fleet of OHVs. You will arrive at their office on Sudderth and be greeted by a knowledgeable team member that will get you checked in and fitted for a helmet. You will then watch a helpful safety video and go check out your new ride for the morning/afternoon. The OHVs are equipped with a gps system that is pre-programmed for your trip, which has been created with your enjoyment in mind! With thrilling terrain and gorgeous views, you will never forget this ride!

## MOUNTAIN ARTS GALLERY

Since 1988 Mountain Arts Gallery has been displaying and offering the work of owner Teri Sodd and many other artists and artisans in the area. Sodd creates beautiful pastel portraits of people of the Southwest.

Sodd's shop also features pottery, sculptures, rugs, crosses, lamps and so much more. They're also happy to frame the artwork you purchase in the shop. This is far beyond just a gift shop, it is (as the name prescribes) an art gallery and attraction worthy to be appreciated and seen.

## GALLERIA WEST

Galleria West is one of Ruidoso's oldest jewelry and gift shops. They have resided on Sudderth Drive for over 30 years. The owners prioritize offering friendly customer service, and their employees are happy to help you find something you or your loved one will cherish for years to come.

They offer New Native American-made jewelry and vintage Turquoise jewelry. You can pick a stone from their case, or bring in your own and they will help you turn it into a beautiful custom piece. You will also find handmade custom knives that are truly one-of-a-kind. They strive to carry as many handmade local and USA-made items as they can.

## THE PERFECT GIFT WITH ALGODONES DISTILLERY

This shop and distillery tasting room in Times Square was opened by two family friends, Donna and Karen. They have curated a shop that is full of things that they love and we think you will enjoy them too! When you walk in you will see and smell beauty including home decor and fresh potpourri. Make sure you give their store mascot, Henry, some love too!

In addition to many gift options (and some things you "have to have"! ), they have also partnered with Algodones Distillery to offer cocktails in their shop! Sip & shop? Yes, please!

# LOCAL'S GUIDE TO OUTSIDE

How to stay a safe distance from the wild ones while visiting.  
(All safety information courtesy of U.S. Forest Service)

## REMEMBER:

*The animals you see roaming the area are **WILD**. Please keep a safe distance and refrain from feeding or petting the animals.*

@TREVORVELASCOPHOTOGRAPHY

## AROUND TOWN OR WHEN EXPLORING THE OUTDOORS

- Do not feed wild animals (including deer, horses & elk)
- Travel in groups
- Do not approach wild animals
- Keep kids close and pets leashed
- Make noise
- Never follow wild animals
- Don't block a wild animal's line of travel
- Use a telephoto lens, spotting scope, or binoculars to photograph or observe wild animals
- Maintain a safe distance

## WHEN CAMPING OUTDOORS

- Leave pets at your rental. Pets may attract bears and mountain lions. If dogs are permitted, keep them on a short leash so they don't interact with wildlife.
- Carry EPA registered bear pepper spray when hiking and camping in bear country.
- Set up cooking, eating, and supply areas at least 100 yards from your sleeping area.
- Keep sleeping bags and tents completely free of food, beverages, and odorous items.
- Use bear resistant food containers, where available or required, to store food and odorous items when not in use.
- Do not sleep in the clothes you cook or handle fish and game in. The odors may attract wildlife.
- Keep children within your sight.
